

The Royal Victoria Regional Health Centre, proud recipient of the Healthy Hospital Innovators Award, is a state-of-the-art facility located in Barrie, one of the fastest growing cities in Canada. Only moments away from beautiful beaches, ski resorts, and cottage country, you will enjoy theatre, golfing, boating, skiing, and cycling!

Plastic Surgeon

RVH has experienced tremendous growth over the past decade, including the largest capital project in Simcoe Muskoka history.

The Division of Plastic Surgery at the Royal Victoria Regional Health Centre in Barrie, Ontario is seeking a new permanent member to join our group. Excellent opportunity for a busy general plastic surgery practice, with an interest in microsurgery and breast reconstruction.

The candidate will be joining a team of 3 Plastic Surgeons in a large community hospital setting. A broad referral basin and busy Cancer Center provide significant case volume as well as interdisciplinary support from a close and collaborative surgical community. We are particularly seeking someone with interest in microsurgical breast reconstruction to join a busy and well established Breast Reconstruction Program which includes a high volume of microsurgical reconstruction. We enjoy close collaboration with general surgery colleagues to provide both immediate and delayed reconstruction. Support of the Emergency Department, including coverage of hand trauma (excluding wrist) is required. Candidate may expect dedicated weekly OR time, minor procedure clinic and weekly Hand Trauma clinic with experienced hand therapist support. Call coverage expected at 1 in 4, with potential development of regional schedule in future for 1 in 5-6 coverage.

Barrie is located a 1 hour drive north of Toronto, allowing easy access to big city amenities as well as a gateway to the summer playground of cottage country. Great location to work and play with excellent work life balance opportunity. Applicants must be eligible for license to practice in Ontario and hold a fellowship in Plastic Surgery from the Royal College of Physicians and Surgeons of Canada. Post residency training in Breast Reconstruction and Microsurgery preferred.

If you are committed to patient safety and high standards of care, come join our growing team!
