

Burnaby Hospital and the Regional Division of Plastic Surgery are seeking a general Plastic Surgeon.

The successful candidate will:

- provide a broad range of surgical and medical general plastic surgery services including but not limited to breast surgery, skin cancer surgery, and hand surgery;
- have exemplary interpersonal skills and the ability to work collaboratively within the healthcare environment;
- demonstrate technical competence in providing plastic surgery care;
- be required to participate in a Plastic Surgery call group (MOCAP funded);
- be allocated OR time commensurate with her/his waiting list, per the RAM Allocation system;
- be expected to apply for a clinical faculty appointment with the University of British Columbia and to provide resident teaching.

To be considered, the successful candidate must have a minimum six months of additional post-graduate training, be a Fellow of the Royal College of Physicians and Surgeons of Canada in Plastic Surgery, and be eligible for a Full licensure in BC to practice Plastic Surgery.
