

# CANADIAN SOCIETY FOR SURGERY OF THE HAND (CSSH)

TUESDAY, JUNE 20, 2017  
WINNIPEG, MANITOBA

## LEARNING OBJECTIVES:

- 1) Speakers have been instructed to speak only about things they know that the average attendee may not know, but should.
- 2) Presenters will stick with practice changing material only; no fluff!
- 3) Learners will be able to integrate this new knowledge into their practice.

## Speakers time: six minutes, discussions with each topic
