

Plastic Surgeon

The Department of Surgery, Section of Plastic Surgery, and Alberta Health Services invite applications for a clinical faculty position as a **Plastic Surgeon** at the **Rockyview General Hospital** in Calgary, Alberta, joining an existing group of four surgeons. The Department of Surgery requires the applicant to have at least one year of post-residency fellowship training in Hand Surgery or Microsurgery, and be competent in hand surgery, microsurgery, and reconstructive breast surgery. The surgeon will be expected to participate in quality improvement initiatives through the Department of Surgery Office of Surgical Quality, and to teach and evaluate residents and medical students in various settings including clinical encounters, surgical procedures, didactic lectures, seminars, and surgical simulation.

The successful candidate will be expected to maintain an off-site private office. The Rockyview General Hospital will provide operating and ambulatory Hand Clinic privileges. The surgeon will be expected to participate in the plastic surgery call schedule at the Rockyview General Hospital.

The successful candidate must be eligible for licensure by the College of Physicians and Surgeons of Alberta and must hold Fellowship certification in Plastic Surgery from the Royal College of Physicians and Surgeons of Canada.

The position will commence in the summer of 2017.

All qualified candidates are encouraged to apply, however Canadian citizens and permanent residents will be given priority. The University of Calgary respects, appreciates and encourages diversity.

Please forward your **curriculum vitae, letter of intent and three letters of reference** by February 28, 2017 to:
