

Cambridge Memorial Hospital (CMH) is seeking a full time plastic surgeon to help expand our regional reconstructive breast surgery program. There are currently two plastic surgeons already on staff at CMH.

Cambridge Memorial Hospital is committed to bringing state of the art reconstructive breast surgery to the region. The successful candidate will be a RCPSC qualified plastic surgeon, having successfully completed a minimum of 12 months of reconstructive breast surgery fellowship. The successful candidate will be one who wishes to make reconstructive breast surgery the primary focus of their work. They will be experts in state of the art prosthetic and autologous microsurgical reconstructive techniques.

The position will require the successful candidate to work with local, regional, provincial and federal organizations to promote breast reconstruction at CMH.

In addition to ample OR days per month, there will be access to minor procedure time as well as fracture clinic time. The successful candidate will dedicate a portion of their time to the administrative work required to grow and promote the reconstructive breast surgery program.

Cambridge Memorial Hospital (CMH) is an affiliated teaching site of the McMaster University School of Medicine and a RNAO Best Practice Spotlight Organization. Participation in teaching and mentoring medical learners and residents is both an expectation and an opportunity.

CMH is an active mid-sized community hospital providing a range of acute care services located in the scenic City of Cambridge in southwestern Ontario with easy access to Toronto, Hamilton and London. The City of Cambridge provides a high standard of living with many attractive residential areas, excellent schools, convenient access to five major universities and many recreational and cultural activities.

The position is available as of June 1st. If you are interested in becoming a part of the CMH Plastic Surgery team, please forward letters of interest and up to date curriculum vitae to Dr. Robert Shenker via email at rob@drshenker.com and cc Zaheer Abdulali, Medical Administration, zabdulali@cmh.org.
