

## PLASTIC SURGEON

McMaster University, in conjunction with Hamilton Health Sciences is seeking a full time academic Plastic Surgeon. The HNHB LHIN (4) Plastic Surgery Program serves a catchment area of more than 2.5 million residents. The service provides tertiary and quaternary level care to patients within the catchment area and plays an essential role in the support of other programs including surgical oncology, trauma, general surgery and rehab services. The Plastic Surgery Division within the Department of Surgery, McMaster University is a fully accredited Royal College of Physicians and Surgeons of Canada training program in Plastic Surgery with full involvement in undergraduate, post-graduate and continuing medical education programs.

The successful applicant's clinical skill set must include the full spectrum of Plastic Surgery care with a focus on microsurgery and reconstruction to support both the breast and surgical oncology services. Fellowship training in Microsurgery is preferred. He/she will be expected to show evidence of interpersonal and collaborative skills and initiative to further advance the clinical and academic productivity of the Plastic Surgery Division. A full time appointment at the appropriate level in the Department of Surgery, Faculty of Health Sciences, McMaster University is required and will be available to the successful applicant. A commitment in surgical education at all levels is essential, as well as active participation in the academic initiatives of the Plastic Surgery Division and the Department of Surgery. The ability to contribute to the research mandate of the Division is important. Candidates with either a Masters degree in Research Methodology, or a strong track record of research are preferred.

Applicants must have a Fellowship in Plastic Surgery, Certification from the Royal College of Physicians and Surgeons of Canada, or equivalent, and be eligible for licensure in the Province of Ontario. All qualified candidates are encouraged to apply. However, Canadian citizens and permanent residents will be considered first for this position. To comply with the Government of Canada's reporting requirements, the University is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship; however, all applications must include one of the following statements: "Yes, I am a citizen or permanent resident of Canada" or "No, I am not a citizen or permanent resident of Canada"

Applications must include an up-to-date curriculum vitae, and a description of previous academic experience, as well as of specialty training. Applications will be accepted until June 15, 2018.. Submissions may be made to:

Dr. Susan Reid, Professor and Chair,  
Faculty of Health Sciences, McMaster University  
B3-155 Juravinski Hospital & Cancer Centre  
711 Concession Street  
Hamilton ON L8V 1C3
