

LOCUM OPPORTUNITY: PLASTIC SURGERY

■ GRAND RIVER HOSPITAL AND ST. MARY'S GENERAL HOSPITAL ■ Kitchener, Ontario

Grand River Hospital and St. Mary's General Hospital are jointly recruiting for **Locum Tenens Plastic Surgeon** to assist with on-call coverage, in particular over the summer period.

Both Hospitals' are located in Kitchener-Waterloo, a modern, vibrant business community and one of the fastest growing communities in Ontario. It is only an hour away from Toronto, Hamilton, and London and home to two of the top universities in the country, an award winning community college and a variety of well known high-tech companies. It has a rich heritage, and offers a multitude of cultural experiences and a strong sense of community.

The Hospitals www.grhosp.on.ca and www.smgh.ca

Grand River Hospital and St. Mary's General Hospital are two separately governed hospitals that function as an integrated system with well-defined and complementary clinical programs to serve both the local community and the region. Each hospital has an acute care ER with patient volumes reaching approximately 55,000 visits/annum. St. Mary's General Hospital is a Regional Cardiac Care Centre and a Centre of Excellence for Respiratory and Thoracic Care. Grand River Hospital hosts several regional programs including the Grand River Regional Cancer Centre, Hepatobiliary Surgical Program, and stroke, renal and mental health programs. We offer round-the-clock services in orthopedics, spine, urology, gynecology, cancer, plastic, and reconstructive and emergency surgery as well as a wide variety of general surgeries.

The candidate must hold an independent practice licensure with the College of Physicians and Surgeons of Ontario, and hold certification by the Royal College of Physicians and Surgeons of Canada in Plastic Surgery.

Interested candidates are invited to inquire about this opportunity by sending their curriculum vitae by email to the attention of Tanja Cvijetic, Medical Affairs Coordinator, tanja.cvijetic@grhosp.on.ca
