

## Academic Plastic Surgeon

Queen's University Department of Surgery ([www.surgery.queensu.ca](http://www.surgery.queensu.ca)) invites applications for a full-time general academic plastic surgeon who has experience and/or formal training in Breast and Micro-vascular surgery or Hand and Micro-vascular surgery. There will be significant academic expectations therefore, emerging or established research programs will also be considered an asset. Applicants will also be involved in undergraduate and post graduate medical education. Evidence of a current involvement and commitment to education through the submission of an educational dossier and the identification of referees who can attest to the applicant's educational expertise will be valued.

Qualified applicants will hold an MD degree (or equivalent), have successfully completed postgraduate and fellowship qualifications prior to appointment, and be eligible for licensure in Ontario. Preference will be given to candidates with an advanced degree and who have sub-specialty certification from the Royal College of Physicians and Surgeons of Canada. The successful applicant will hold a Full-Time academic appointment at Queen's University.

The successful candidate will be required to work closely with Plastic Surgeons at the Kingston Health Sciences Centre. As a full time member of the Division of Plastic Surgery, Department of Surgery, the successful candidate will also be expected to contribute to the teaching, supervision and mentorship of undergraduate, graduate and postgraduate students.

Queen's University is recognized nationally for the quality of its undergraduate and graduate programs, which attract outstanding students. Queen's University is an integral part of the vibrant Kingston community in the heart of the Thousand Islands region of southeastern Ontario. It has a community spirit and amenities unmatched by any other Canadian university. The University and the region offer an outstanding academic and community environment ([www.queensu.ca](http://www.queensu.ca)).

Queen's is committed to employment equity and diversity in the workplace and invites applications from all qualified individuals. We welcome applications from women, visible minorities, Aboriginal people, persons with disabilities, and persons of any sexual orientation or gender identity. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. To comply with Federal Laws, the University is obliged to gather statistical information about how many applicants from each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applicants must include one of the following statements: "I am a Canadian citizen/permanent resident of Canada" OR, "I am not a Canadian citizen/permanent resident of Canada". Applications that do not include this information will be deemed incomplete.

The review of applications will begin on January 15, 2020 and will continue until the position is filled. Applicants should forward a copy of their *curriculum vitae*, letter of application and the names and addresses of three referees to Dr. John Rudan, Head, Department of Surgery, Queen's University, Victory 3, Kingston General Hospital, Kingston, Ontario, K7L 2V7, Fax: (613) 544-9174, Email: [KGH.Departmentofsurgery@kingstonhsc.ca](mailto:KGH.Departmentofsurgery@kingstonhsc.ca)

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact the Department of Surgery at the email or fax number above.
