

DISCOVER AN OPPORTUNITY FOR EXCEPTIONAL WORK-LIFE BALANCE

Plastic Surgeon

Sault Ste. Marie is located on the St. Mary's River between Lake Huron and Lake Superior on the U.S. /Canadian border. The Sault has all the amenities of a regional urban centre, with both the Canadian wilderness and extraordinary vacation areas in Michigan just minutes away. There is a strong cultural and arts basis in the community, and both winter and summer outdoor activities abound. The Sault has an excellent school system and offers a multitude of sports and artistic opportunities for children and adults alike. Sault Ste. Marie is served by three Canadian airlines as well as one major U.S. airline.

Sault Area Hospital (SAH) is a new state-of-the-art facility opened in 2011. With approval for 294 inpatient beds and with 14 Intensivist led ICU beds, SAH provides emergency, primary, secondary, selected tertiary and long-term care healthcare services to the city and the District of Algoma with a catchment population of approximately 115,000.

The surgical program performs 5200 surgeries per year and supports 6 operating rooms daily. Surgical services include General, Vascular, Orthopedic, OB/Gyn, ENT, Plastics, Urology, Ophthalmology and Dental.

Sault Ste. Marie is seeking the services of a full-time Plastic Surgeon. The successful candidate will be entitled to one day per week in the OR as well as one day per week in the outpatient clinic. Call coverage is currently shared among a group of two plastic surgeons and the successful candidate will share these call responsibilities.

Candidates must possess an unrestricted license to practice medicine in Ontario with the College of Physicians and Surgeons of Ontario, and must hold certification with the Royal College of Physicians and Surgeons of Canada. Expertise in breast reconstruction is required. The successful candidate must be a Canadian citizen or hold Canadian permanent residency status.

Sault Area Hospital has an affiliation with the Northern Ontario School of Medicine (NOSM) and allows for the opportunity to teach residents and medical students. The successful candidate would be expected to join the medical school faculty and participate in teaching and research activities.

This position is eligible for the Ontario Ministry of Health incentive offered through the Northern Rural Recruitment & Retention Initiative and the Northern Specialist Alternative Payment Plan (NS APP).
