Stanley Thompson, Canada's master golf course architect, displayed some of the finest work of his career with this design. The 18-hole layout offers elevated tee boxes, dramatic bunkering and holes aligned with distant mountain vistas. He built wide fairways that carve through thick forest, and maintained a partnership with the environment's natural contours, blending beautiful landscapes with challenging terrain. As a result, few golf courses in the world can match the rugged majesty of this national treasure.
