WELCOME TO ST. JOHN'S !

Rich and colourful, rugged and refined, St. John's is the creative capital, and the beating cultural heart of the province. With 500 years of history and tradition woven into its fabric, you'll also find a new wave of art, architecture, music, and cuisine. Take a guided tour of the colourful cityscape, visit a historic site, gallery, or museum. As the most easterly city in North America, there's always a pretty impressive ocean view.
