

It's the Island calling

Plastic Surgeon

Victoria, BC

Island Health's, Department of Surgery, Division of Plastic Surgery, has a position for a plastic surgeon to join a group of seven.

Victoria, British Columbia's scenic capital, is located on the southern tip of Vancouver Island. Renowned for its breathtaking natural beauty and enviable quality of life, this is an ideal place to pursue your medical career and create the kind of lifestyle only dreamt about. Few areas in the world can match BC's scope of outdoor activities, with Vancouver Island offering everything from skiing and snowboarding, to golf, and world-class fishing. With Victoria's temperate climate, its rich heritage and vibrant cultural scene, it provides the very best of urban and rural living.

The successful candidate will have FRCSC qualifications and be able to demonstrate a desire and ability to practice in a broad range of plastic surgical services.

A funded plastic surgeon on-call rotation is shared amongst division members who provide call services encompassing the spectrum of plastic surgery for a direct referral population of 350,000 and a tertiary referral population of 750,000. Through the UBC Island Medical Program there is the opportunity for academic affiliation and participation in teaching of medical students and residents.

Areas of interest or specialized training that include microsurgical oncological reconstruction, breast reconstruction and craniofacial reconstruction would be most desirable.

Vancouver Island is one of Canada's most liveable regions – providing the very best of urban and rural living. Renowned for its breathtaking natural beauty and enviable quality of life, Vancouver Island offers an opportunity to combine a rewarding career with a satisfying lifestyle.

To apply, please forward a letter of interest, CV, and names of three references to:
