

## CAREER OPPORTUNITY

### Dr. Patricia Clugston VGH & UBC Hospital Foundation Chair in Breast Reconstruction Surgery

The Division of Plastic Surgery, Department of Surgery at The University of British Columbia (UBC) invites applications for the Dr. Patricia Clugston VGH & UBC Hospital Foundation Chair in Breast Reconstruction Surgery. This academic appointment will be a grant tenure track or grant tenured position at the rank of Assistant Professor or higher. A clinical appointment with Vancouver Coastal Health in Plastic Surgery is anticipated.

The successful candidate will be expected to provide expertise in clinical breast reconstruction surgery, lead a productive and innovative research program that advances the field, and support and advance the goals of the UBC Breast Reconstruction Program and the Division of Plastic Surgery, UBC Department of Surgery. The successful candidate will participate in the undergraduate, graduate and postgraduate teaching activities of the Division and the Department, as well as make academic service contributions.

UBC seeks a candidate with a commitment to teaching and research to advance knowledge and management of alloplastic and microsurgical breast reconstruction. The successful candidate must have a demonstrated ability in teaching, a strong record of independent research and experience or training in conducting clinical research. The candidate should have or be eligible for certification from the Royal College of Physicians and Surgeons of Canada. A PhD or an appropriate advanced degree preferred.

Qualified candidates are asked to please send their curriculum vitae, a letter describing research interests and vision for the UBC Breast Reconstruction Program, evidence of teaching effectiveness, and the names of four referees to:

Human Resources Manager, UBC Department of Surgery

[Karen.larsen@ubc.ca](mailto:Karen.larsen@ubc.ca)

Salary and rank will be commensurate with qualifications and experience. Review of applications will begin on July 20, 2018 and will continue until the position is filled. The anticipated start date for the position is March 1, 2019 or a date to be mutually agreed upon.

The University of British Columbia is a global centre for research and teaching, consistently ranked among the top 20 public universities in the world and 3<sup>rd</sup> largest university in Canada with an economic impact of 12.5 billion to the provincial economy. Since 1915, UBC's West Coast spirit has embraced innovation and challenged the status quo. Its entrepreneurial perspective encourages students, staff and faculty to challenge convention, lead discovery and explore new ways of learning. At UBC, bold thinking is given a place to develop into ideas that can change the world. As one of the world's leading universities, The University of British Columbia creates an exceptional learning environment that fosters global citizenship, advances a civil and sustainable society, and supports outstanding research to serve the people of British Columbia, Canada and the world.

*Equity and diversity are essential to academic excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code, including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Metis, Inuit, or Indigenous person. All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority.*
