

## **DEPARTMENT OF SURGERY PLASTIC SURGEON – LOCUM TENENS OPPORTUNITY**

The Division of Plastic and Reconstructive Surgery at Windsor Regional Hospital in Windsor, Ontario invites applications for a 6-month locum position starting in March 2019. The position has the potential of leading to a permanent position at Windsor Regional Hospital.

The position encompasses inpatient and ambulatory care responsibilities. The individual would be responsible for taking over a busy practice with full resources including a staffed office, dedicated weekly OR, weekly outpatient procedure clinic (2 half days), and weekly ambulatory clinic (half day) with full nursing support. Call coverage involves 1 week in 5 hospital call and covers the greater Windsor area. A call stipend is included. The practice includes all aspects of plastic surgery, including hand surgery, breast surgery, skin cancers, cosmetic surgery, and wound care/burns.

Windsor Regional Hospital is a multi-faceted health services organization providing specialized services for more than 400 000 people in Windsor and Essex County.

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports, and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community.

Applicants must be certified by the Royal College of Physicians and Surgeons of Canada and hold, or be able to obtain, an Ontario independent license with the College of Physicians and Surgeons of Ontario.

Interested candidates should send a letter of interest, curriculum vitae, and a list of three referees with contact information (at least one should be Chief of Plastic Surgery or Program Director) to:

Dr. Kristina Lutz, Division Head of Plastics, Windsor Regional Hospital
