

**LOCUM BURN SURGEON
DIVISION OF PLASTIC SURGERY
DEPARTMENT OF SURGERY
UNIVERSITY OF ALBERTA, EDMONTON, ALBERTA, CANADA**

The Section of Plastic Surgery, Department of Surgery, Alberta Health Services, Edmonton Zone is accepting applications for the position of locum Burn Surgeon. The primary practice site for this position has been identified as the University of Alberta Hospital. The term of the locum position will be one year.

The Section of Plastic Surgery currently consists of 17 Plastic Surgeons and provides service to the City of Edmonton and surrounding communities. The Section provides specialized care in all aspects of Plastic Surgery including trauma and burn care. The Division of Plastic Surgery, Faculty of Medicine & Dentistry at the University of Alberta has a busy, and comprehensive training program in Plastic Surgery.

The successful applicant will have a job descriptions which includes a commitment to clinical care delivery, education, and research. The successful applicant will have opportunity to practice the full spectrum of Burn Surgery in a busy tertiary care institution; working cooperatively with a multi-disciplinary team. It is anticipated that the applicant will have demonstrated training and expertise in the complete care of the burn patient with skills including: burn and wound care management, and intensive care training. A commitment to research and teaching is expected. Based on training and experience, additional Plastic Surgery call and clinical activity may be available.

Preference is for applicants certified by the Royal College of Physicians & Surgeons of Canada in Plastic Surgery or General Surgery. Applicants must have completed a Fellowship in Burn Care, be eligible for licensure in the Province of Alberta, and be legally able to work in Canada. Training in intensive care would be an asset.

Consideration of applications will continue until the position is filled. Interested applicants should arrange to have a current *curriculum vitae*, *a letter of intent*, and *names of three references forwarded to:*

Dr. J. Olson, Section Lead, Plastic Surgery
Department of Surgery, Alberta Health Services
