

Locum Opportunity Available Brampton/Etobicoke (West GTA) Ontario

The Division of Plastic and Reconstructive Surgery for William Osler Health System is inviting applications for a Full-Time Locum position from January 1st 2021 to July 31st 2021.

The candidate will support a team of seven plastic surgeons providing comprehensive care in Brampton and Etobicoke and will provide care primarily based out of the new Peel Memorial Center (opened 2017) and Brampton Civic Hospital. William Osler Health System (Osler) is one of Ontario's largest community hospital organizations delivering a wide spectrum of reconstructive, trauma, and elective surgical services. The candidate will join a highly collegial team of surgeons with equitable division of on-call duties. Regional On-call rotation is 1 in 7 with on-call stipend provided at 100% to the locum. William Osler's three sites are ideally located just west of Toronto.

This opportunity includes full time administrative support, a large network of referring physicians, and a well-established referral base. The office includes established EMR/billing support, and office administrative staff are well trained to support weekly clinics.

The locum will have access to a full schedule of regular hospital resources as follows:

- 1.5 minor surgery (local) OR days per week (Wednesday and Thursday AM)
- 0.5 Fracture clinic days per week (Thursday PM) fully staffed with dedicated hand therapists, cast techs, nursing staff, and volunteers.
- 0 – 1 main OR day per week (increasing gradually, covid related scheduling)

WOHS has a strong affiliation with McMaster University with available medical student and resident education opportunities, if desired.

The candidate must hold a fellowship in Plastic Surgery with the Royal College of Physicians and Surgeons of Canada, and must hold an independent practice licensure with the College of Physicians and Surgeons of Ontario.

Interested and qualified candidates are encouraged to send a CV and contact information for three referees to:

Dr. Jacqueline Makerewich, Email: drjrmakerewich@gmail.com

Dr. Joe Baum (Chief of Plastic Surgery), Email: jbbaum@rogers.com
