

SUDBURY, ON:

Opportunity:

The Service of Plastic Surgery at Health Sciences North/Horizon Santé Nord (HSN), in Sudbury, Ontario, is recruiting **three full-time plastic surgeons**. Candidates who have an enthusiastic approach to quality patient care, undergraduate/postgraduate education, and possibly active clinical research should apply.

The new candidate will share one in five call responsibility, and ensure seamless coverage for the region. **Locum opportunities are also available.**

All physicians are required to seek academic appointment at the Northern Ontario School of Medicine ([NOSM](#)), and become involved in teaching undergraduate and postgraduate trainees.

Research opportunities are also available with HSN's affiliated research institute, [HSNRI](#).

Physicians who practice full-time in Sudbury are eligible for attractive financial incentives.

About Health Sciences North/Horizon Santé Nord (HSN):

As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents. HSN occupied its one-site acute care hospital in March 2010, which boasts 17 ORs and state-of-the-art equipment throughout.

About Sudbury:

Candidates are invited to come discover Sudbury's exceptional quality of life, abundant lakes, parklands, and recreational opportunities.

Qualifications:

Candidates must be eligible for licensure in Ontario and have obtained or be eligible to obtain speciality qualifications from the Royal College of Physicians and Surgeons of Canada.

Applications:

Interested individuals should send a letter of interest and CV to the Medical Affairs Office, by e-mail to medcareers@hsnsudbury.ca.

HSN thanks all applicants, however, only those selected for interviews or to locum, will be contacted.
