

The Division of Plastic Surgery in conjunction with Vancouver Coastal Health and Providence Health in Vancouver is accepting applications for a full-time permanent position with a focus on breast reconstruction. Applicants must have subspecialty fellowship training in breast reconstruction, including microsurgical reconstruction. The successful candidate will be expected to cover full time general plastic surgery call within the division and be comfortable with general plastic surgery trauma and reconstruction. The hospital services, together with the Division of Plastic Surgery and the University of British Columbia Department of Surgery are involved in undergraduate, post-graduate and continuing medical education programs.

Available resources include access to the main Operating Room, Minor Treatment Room, and a hospital based hand clinic.

Applicants must be certified in Plastic Surgery by the Royal College of Physicians and Surgeons (Canada), and be eligible for licensure by the BC College of Physicians and Surgeons. Training and/or experience in lymphedema surgery will be an asset.

The successful applicant will be recommended for a Clinical Faculty Position in the University of British Columbia Department of surgery and will be expected to be involved in clinical teaching and research.

Applications must include current curriculum vitae, a description of previous academic experience and of training relevant to the position, as well as of additional specialty training, if any, and three personal references. Applications will be accepted until October 15, 2021.

Please respond with cover letter and CV to:

Dr. Peter Lennox  
Head, UBC Division of Plastic Surgery
