

## **PEDIATRIC PLASTIC SURGEON ALBERTA CHILDREN'S HOSPITAL**

The Department of Surgery, Alberta Health Services–Calgary Zone and the University of Calgary invite applications for the position of Pediatric Plastic Surgeon at the Alberta Children's Hospital in Calgary, Alberta. Qualifications include an MD, a Fellowship from the Royal College of Physicians and Surgeons of Canada in Plastic Surgery and fellowship training in Pediatric Plastic Surgery. Applicants must be eligible for licensure in the province of Alberta. The position will commence in the summer of 2022.

The successful candidate will become a member of both the Section of Pediatric Surgery and the Section of Plastic Surgery. Clinical duties will include patient care in the wide range of pediatric plastic surgery problems including congenital hand, cleft lip and palate, vascular anomalies, and burns. In addition, the candidate should be competent in laser surgery for birthmarks and scars and in peripheral nerve surgery including obstetrical brachial plexus reconstruction. It is expected that the candidate would also participate in adult community hospital plastic surgery and they will have privileges at the adult sites.

Leading and developing research protocols related to clinical outcomes is expected. Committee duties and active participation in the Sections of Plastic Surgery and Pediatric Surgery is required. The surgeon will take call according to the site(s) and Alberta Health Services policies. The surgeon will be expected to have a clinical appointment with the University of Calgary, Cumming School of Medicine, Department of Surgery, and to participate in medical student and resident teaching.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents of Canada. Alberta Health Services and the University of Calgary are committed to employment equity. Please submit a letter of application, your curriculum vitae and three letters of reference by November 30, 2021 to:
