

HAND, NERVE AND RECONSTRUCTIVE MICROSURGEON, UNIVERSITY OF OTTAWA AND THE OTTAWA HOSPITAL

The Division of Plastic Surgery at the Ottawa Hospital, in affiliation with the University of Ottawa, invites applications for a permanent full-time plastic surgeon with fellowship training in hand surgery, nerve surgery and reconstructive microsurgery.

The Ottawa Hospital is the regional trauma center for a catchment area of 1.2 million in Eastern Ontario and offers a full spectrum of tertiary and quaternary services. Our division currently includes 10 full time members and operates with a focus on growth and collegiality. Resources include access to clinic space with well-appointed minor surgery facilities, and main operating room time. Remuneration is fee for service. In addition, there is a divisional practice plan. Academic appointment through the University of Ottawa is anticipated.

The ideal applicant must have completed at least a one-year fellowship in hand surgery and nerve surgery. In addition, the applicant should have advanced training in reconstructive microsurgery. We anticipate that this applicant will also focus on lower extremity reconstruction and expertise in this area is preferred. In addition, the applicant must have a stated research interest and plan for research development. The following attributes would be an asset:

1. An advanced degree in an area relevant to the applicant's research interest
2. Training in nerve reconstruction
3. Fellowship training in microsurgery with a focus on lower extremity reconstruction

The candidate should hold or be eligible for certification in Plastic Surgery from the Royal College of Physicians and Surgeons of Canada and must be eligible for licensure with the College of Physicians and Surgeons of Ontario. The candidate must also be eligible for liability insurance. While all qualified candidates are invited to apply, preference will be given to Canadian citizens and permanent residents. Please submit a letter of interest and a current CV to:

Danny Peters MD MBA FRCS C FACS FAAP
Head – Division of Plastic Surgery
University of Ottawa and The Ottawa Hospital

Email: dapeters@toh.ca
Phone: 613-798-5555 X13712

We would ask that references be provided upon request. Applications will be considered until December 31, 2021 or until the job is filled.

The University of Ottawa is an equal opportunity employer. We strongly encourage applications from women, Aboriginal peoples, persons with disabilities, bilingual persons (French and English) and members of visible minorities. If you are invited to continue the selection process, please notify us of any particular adaptive measures you might require by contacting the Office of the Associate Vice-President, Faculty Affairs at 613-562-5958. Any information you send us will be handled respectfully and in complete confidence. The University of Ottawa is proud of its 160-year tradition of bilingualism. Through its Official Languages and Bilingualism Institute, the University provides training to Faculty members in their second official language.
