About the Huron Perth Healthcare Alliance (HPHA):

The HPHA is an Alliance of 4 hospitals located in Southwestern Ontario including; Clinton Public, Seaforth Community, St Marys Memorial and Stratford General Hospitals.

Stratford General Hospital, a 118 bed acute and continuing care hospital is the regional referral centre for Huron & Perth County residents, offering a broad range of medical and surgical inpatient services including critical care and neonatal intensive care, supported with internists, pediatricians and surgical specialists such as urology, ENT, ophthalmology, gynecological, plastics, general and orthopedics. The Stratford site also provides mental health, maternal child, complex continuing care and rehabilitation inpatient services.

The Clinton and St Marys sites offer Acute and Complex Continuing Care inpatient services and the Seaforth site provides Acute, Complex Continuing Care and Rehabilitation inpatient services. All four sites also offer 24/7 emergency services and all of the associated support services such as lab, imaging and therapeutic programs.

Community: Stratford is a city of 35,000 residents, located on the Avon River. It is centrally located, 30 minutes from Kitchener/Waterloo, 45 minutes from London, 60 minutes from Bayfield and 90 minutes from Toronto. Our community is broadly recognized as having North America's largest classical repertory theatre, presenting the works of William Shakespeare and other great writers in four venues. Stratford offers frequent concert and culinary events and an annual Dragon Boat Festival. Few places in Ontario are lovelier or more alive with culture and character than Stratford!
