

Plastic Surgery Opportunity – Fredericton, New Brunswick

POSITION DESCRIPTION:

The Division of Plastic surgery for Horizon Health Network at the Dr. Everett Chalmers Regional Hospital in Fredericton, NB is seeking a Plastic Surgeon specialist. The position offers an opportunity for a busy surgical practice in general plastic surgery including hand surgery, reconstruction, breast surgery, and skin cancer surgery.

This is a fee for service opportunity with guaranteed weekly OR and ambulatory clinic time, and two minor surgery days per month. The successful candidate is expected to work in a collaborative manner to advance patient care and provide all aspects of plastic surgery coverage for the hospital, including call coverage according to the needs of the site and the zone. On call duties are with frequency of 1 in 4.

We are a teaching centre affiliated with Dalhousie University with teaching opportunity for both residents and medical students. The candidate should have interest and recent experience with Medical Education of students.

The Chalmers Hospital is a regional referral hospital with all major surgical services on site with the exception of cardiac and neurosurgery. With 314 beds and a 12-bed intensive care unit, the Chalmers Hospital serves a catchment population of approximately 175,000.

REMUNERATION:

Remuneration is fee-for-service which is a direct compensation between the physician and Medicare of New Brunswick

INCENTIVES:

- Very generous incentive package in addition to Moving Expense Allowance

EXPECTED START DATE:

- As soon as possible

ABOUT THE COMMUNITY:

Fredericton, New Brunswick's capital is an energetic city having much to offer individuals as well as families. It is a great location for excellent work life balance.
