

## **VANCOUVER CRANIOFACIAL POSITION – APRIL 29, 2022**

The Division of Plastic Surgery in conjunction with Vancouver Coastal Health and Providence Health in Vancouver is accepting applications for a full-time permanent position with a focus on elective and post-traumatic craniofacial surgery.

Applicants must have subspecialty fellowship training in craniofacial surgery, ideally including microsurgical reconstruction, as well as experience in facial nerve palsy and facial reanimation. The successful candidate will be expected to cover full time general plastic surgery call within the division and be comfortable with general plastic surgery trauma and reconstruction. The hospital services, together with the University of British Columbia Division of Plastic Surgery and the University of British Columbia Department of Surgery are involved in undergraduate, post-graduate and continuing medical education programs.

Available resources include access to the main Operating Room, Minor Treatment Room, and a hospital-based clinic.

Applicants must be certified in Plastic Surgery by the Royal College of Physicians and Surgeons (Canada), and be eligible for licensure by the BC College of Physicians and Surgeons. The successful applicant must qualify for and will be recommended for a Clinical Faculty Position in the University of British Columbia, Department of Surgery. They will be expected to be involved in clinical teaching at all levels and research.

Applications must include a cover letter, current curriculum vitae, a description of previous academic experience and of training relevant to the position, as well as of additional specialty training, if any, and three professional references. Applications will be accepted until 30 June 2022.

Interested applicants are asked to please apply by sending the above details to:
