

**ONE-YEAR MICROSURGERY FELLOWSHIP
TORONTO, ONTARIO**

The Division of Plastic Surgery in the Sprott Department of Surgery at the University Health Network-Toronto General Hospital is offering a one-year microsurgery fellowship position starting July 1st, 2023.

The fellow will experience a breadth of microsurgery in a very busy center including breast, head and neck, sarcoma reconstruction as well as general complex reconstruction.

This fellowship is a salaried position. Fellows must be eligible for an independent practice license with the CPSO.

If you are interested, please send a letter of interest, the email addresses of three referees and your CV to:
