

Cambridge Memorial Hospital (CMH) is seeking a Plastics Hand surgeon for a locum position to provide on-call duties. The applicant would join a team of three Hand surgeons. On-call responsibilities will be 1 in 4, with opportunity for additional days of on-call coverage.

CMH is a busy community hospital with a high-volume emergency room and full support from medical and surgical subspecialties. This is further complemented by full diagnostic Laboratory and Imaging Support services, including a state-of-the-art MRI and CT Scanner. CMH is completing an exciting Capital Redevelopment Project with brand new facilities in Emergency, Critical Care, Inpatient Medicine, Surgery, Obstetrics, Pediatrics, and Mental Health.

We are affiliated with Waterloo Campus of the Michael G. DeGroot School of Medicine, McMaster University and support academic interests.

Located 1 hour from each Toronto, London and Hamilton, Cambridge is a family friendly city where one can enjoy the benefits of a small town with the perks of a big city. Our business-friendly environment and appealing lifestyle have made us one of the fastest-growing cities in Canada. Cambridge enjoys an excellent standard of living with access to parks, rivers, recreational facilities, universities, colleges and high-tech jobs all within the region.

If you are interested in becoming a part of the CMH Plastics Hand Surgery team, please forward your letter of interest and up to date curriculum vitae to Dr. Ingrid Whitehead, Chief of Surgery submitted to Stephanie Evans, in the Medical Administration office at Cambridge Memorial Hospital.
