

Locum Position: Jan 1, 2023 – June 30, 2023

Children's Hospital of Eastern Ontario
Department of Surgery

The CHEO Department of Surgery is offering a 6-month locum position for a plastic surgeon commencing around January 1, 2023.

CHEO is a tertiary care pediatric hospital affiliated with the University of Ottawa, and the U of O plastic surgery training program. The hospital has a large catchment area including Eastern Ontario, Western Quebec, and Nunavut. There would be resident support, and collaboration with two other full-time plastic surgeons. Competitive salary remuneration with outpatient clinics and OR time provided at CHEO. Expectations of 1 in 3 on-call coverage.

Applicants must have specialty qualifications in plastic surgery and be eligible for independent licensure with the College of Physicians and Surgeons of Ontario. Applicants must also be eligible to work in Canada, with priority given to Canadian citizens or Permanent Residents. Preference for candidates with subspecialty training in Hand and Wrist surgery, or Pediatric Plastic Surgery including upper extremity and brachial plexus management. French language skills are an asset.

Interested candidates should send a letter of interest and CV, and be prepared to provide references if required.
