

# PRACTICE OPPORTUNITY

## **Locum (Nanaimo, BC)**

The Division of Plastic Surgery, Nanaimo Regional General Hospital, is **seeking a long-term locum from January to June, 2023.**

Preference will be given to applicants looking for a 6-month position. Start time and duration are negotiable; therefore, more than one locum position may be available. You will participate in paid on-call coverage with the North Island Plastic Surgery group which includes Nanaimo and Campbell River.

Practice coverage includes general plastic surgery including breast reconstruction, hand surgery, skin cancer management, and microsurgery.

Nanaimo is a growing, vibrant, and family-oriented community that enjoys access to abundant outdoor activities, with proximity to both Victoria and Vancouver which is just 20-minute seaplane ride away. Nanaimo offers a true West Coast experience with great access to skiing, hiking, surfing, kayaking, and more.

Applicants must have a fellowship in Plastic Surgery, FRCS(C), and obtain licensure with the College of Physicians and Surgeons of British Columbia.

**Please forward your CV to Dr. Jenny Cheng at the following email address with the subject heading 'Locum': [info@drjennycheng.com](mailto:info@drjennycheng.com)**
