

**Plastic & Reconstructive Surgeon  
NORTH YORK GENERAL HOSPITAL, Toronto ON**

**Application Deadline: February 15<sup>th</sup>, 2023**

The **Division of Plastic Surgery at North York General Hospital in Toronto, ON** is seeking a **Full-Time Plastic Surgeon** to join a collegial multidisciplinary team of six Plastic Surgeons, servicing a large metropolitan community, within a University of Toronto-affiliated hospital. The position will commence in the **summer of 2023**.

The candidate must hold an MD, a Fellowship in Plastic Surgery from the Royal College of Physicians and Surgeons of Canada and advanced subspecialty training in Hand Surgery. Expertise in microsurgery is an asset.

The candidate will work within the Division of Plastic Surgery and participate in the care of patients with hand trauma, complex hand problems and general plastic surgery trauma. There will be shared hospital call amongst the attending Plastic Surgeons, with a minimum of one in six call coverage.

Resources available to the successful applicant include: ambulatory clinics, outpatient minor procedure clinics and main OR time. Teaching of medical students and residents is coordinated through the University of Toronto programs and support of our medical learners is required. The successful candidate is expected to become a member of the Division of Plastic, Reconstructive and Aesthetic Surgery at the University of Toronto.

We encourage all qualified applicants to forward a cover letter, your CV, and the names and contact information of three references **by February 15<sup>th</sup>, 2023** to:
