

**Replacement Associate Plastic Surgeon  
Surgery Program  
Trillium Health Partners**

**Trillium Health Partners** (THP) is the largest community-based academic health network in Ontario serving over one million residents in the communities of Mississauga, Peel Region, and West Toronto. The hospital encompasses three main sites – Credit Valley Hospital, Mississauga Hospital, and Queensway Health Centre (QHC) – offering a full range of acute care hospital services, as well as a variety of community-based specialized programs.

We are seeking one **(1) Replacement Associate Plastic Surgeon**, who will have additional special expertise in craniofacial surgery to be a member of our Surgery Program, within the Division of Plastic Surgery. The successful candidate will care for surgical inpatients and outpatients and participate in the on-call rotation supporting Trillium Health Partners.

THP's Plastic Surgery Division provides service to the City of Mississauga and surrounding communities. We provide specialized care in all domains of Plastic Surgery and are affiliated with University of Toronto and specifically the Mississauga Academy of Medicine.

Trillium Health Partners is an academic teaching hospital affiliated with the University of Toronto. The successful candidate would be expected to participate in teaching of undergraduate and postgraduate medical learners. In addition, academic appointment provides the opportunity to participate in clinical and applied research. Excellent interpersonal skills and a commitment to an inter-professional care model are also essential.

This position represents an opportunity to join a group of dedicated healthcare professionals in a progressive organization. Interested physicians must be certified in plastic surgery by the Royal College of Physicians and Surgeons of Canada, or equivalent (e.g. American Board), and be licensed, or be eligible for licensure, to practice medicine independently in the province of Ontario. Craniofacial training as a secondary skill is preferred. The position is open to all qualified candidates.

Interested candidates should submit their letters of interest and curriculum vitae, along with the names of three (3) references by April 11, 2024 to:

**Dr. Tom Short, Program Chief and Medical Director,
