

Academic Plastic Surgeon Dalhousie University and Nova Scotia Health Authority

The Division of Plastic Surgery in the Department of Surgery at Dalhousie University and Nova Scotia Health (NSH) is seeking to hire a full time academic Plastic Surgeon with a major interest in craniofacial surgery. This position will have its clinical base at the Queen Elizabeth II Health Sciences Centres in Halifax, Nova Scotia. The QEII HSC is the tertiary and quaternary care referral centre for approximately two million people in the Atlantic Provinces of Nova Scotia, New Brunswick, Prince Edward Island and Newfoundland.

The successful candidate will join a dynamic group of academic surgeons and will play an important role in the plastic surgery residency training program. They must demonstrate the potential for academic excellence. An active role in academics- research, education or administration- is required and incentivized.

Candidates must have a Fellowship in Craniofacial Surgery. They must have a demonstrated clinical interest in adult craniofacial trauma and oncologic reconstructions. They will participate in general Plastic Surgery call, therefore must also be proficient in digit reimplantation, and other common acute presentations. The candidate must be eligible for licensure in Nova Scotia. Remuneration is based on a competitive alternate funding plan. The position will commence on or after October 1, 2024.

The Department commits to achieving inclusive excellence through continually championing equity, diversity, inclusion, and accessibility. The Department encourages applications from Indigenous persons (especially Mi'kmaq), persons of Black/African descent (especially African Nova Scotians), and members of other racialized groups, persons with disabilities, women, and persons identifying as members of 2SLGBTQIA+ communities, and all candidates who would contribute to the diversity of our community.

A letter of application, accompanied by a CV and names of three referees, will be accepted until June 14, 2024 and should be sent to:

Dr. Gail Darling
Head, Department of Surgery
