

Plastic Surgeon

Fraser Health- Langley Memorial Hospital

British Columbia, Canada

Fraser Health (FH) is the heart of health care for nearly two million people in 20 diverse communities from Burnaby to Fraser Canyon on the traditional, ancestral and unceded territories of the Coast Salish and Nlaka'pamux Nations and is home to six Métis Chartered Communities.

Our hospital and community-based services are delivered by a team of 48,000+ staff, medical staff and volunteers dedicated to serving our patients, families and communities.

Fraser Health Authority is seeking a part-time community plastic surgeon at 0.5 FTE for Langley Memorial Hospital. The ideal candidate should possess a minimum of one year of post-graduate fellowship training. They should demonstrate a keen interest in various aspects of general community plastic surgery, including trauma, breast, and skin cancer management. This position will complement the existing 1.0 FTE plastic surgeon at Langley Memorial Hospital.

Langley Memorial Hospital, a part of the Fraser Health Authority, is currently undergoing renovations and expansions to meet the needs of its growing community. Resources for plastic surgery, such as access to elective operating room time and ambulatory care/cast clinics, will be provided. Additionally, there are opportunities to conduct MSP cases in private facilities.

The surgical team is affiliated with the University of British Columbia, offering teaching opportunities for medical students and residents, although Langley Memorial Hospital is not a primary residency training site. Various private clinics in the area also offer additional resources.

General plastic surgery on-call duties are currently at a ratio of 1 in 5, with an on-call stipend provided through the MOCAP agreement. On-call responsibilities are shared with the Fraser East call group, which covers a level 1 trauma center and other hospitals in the Fraser East region.

Langley is in one of the fastest growing regions in Canada. It is located a half-hour from Vancouver and in the natural beauty of the Fraser Valley. It is an ideal location to raise a family with a seemingly unlimited number of recreational activities, fine restaurants, and top schools. With its proximity to Vancouver, the mountains, oceans and lakes, and BC's Interior, this area is a great place to live.

Please forward letters of interest, a copy of your CV, cover letter and three letters of reference or contact referees' information to medicalstaffrecruitment@fraserhealth.ca. These must include letters from residency and fellowship program directors. If you have been in practice for at least four years, a letter from your chief of surgery will be accepted in lieu of your program supervisors'.

Please submit all applications no later than June 11, 2024. Anticipated start date is August 1, 2024 or sooner, dependent on availability.

Qualifications:

- CMPA
- CPSBC (eligible for full licensure)
- FRCSC

Remuneration:

- Fee for service
- MOCAP

Full Time/Part Time/Locum/Temporary: Part time

Facility: Langley Memorial Hospital

Interested candidates may submit a letter of interest, CV and three reference letters or contact referee names to medicalstaffrecruitment@fraserhealth.ca.

If you have questions or interested in learning more about this opportunity, please contact Margaret Coplin, Administrative Assistant, at margaret.coplin@fraserhealth.ca.

Fraser Health values diversity in the work force and strives to maintain an environment of Respect, Caring & Trust. Fraser Health's hiring practices aspire to ensure all individuals are treated in an inclusive, equitable and culturally safe manner.
