

**CRANIOFACIAL TRAUMA AND RECONSTRUCTION  
PLASTIC SURGERY  
DEPARTMENT OF SURGERY  
ALBERTA HEALTH SERVICES &  
UNIVERSITY OF ALBERTA, EDMONTON, ALBERTA, CANADA**

The Department of Surgery, Faculty of Medicine & Dentistry, University of Alberta and Alberta Health Services, Edmonton Zone, invites applications for a Craniofacial Trauma and Reconstruction Plastic Surgeon. The primary site of practice for this position will be at the Royal Alexandra Hospital.

The Section of Plastic Surgery provides service to the City of Edmonton and surrounding communities, with specialized care in all aspects of Plastic Surgery including trauma, burn care, pediatric plastic surgery as well as general reconstruction. The Division of Plastic Surgery has a busy and comprehensive residency and specialty training program.

The successful candidate will have the opportunity to practice the full spectrum of Plastic Surgery in a busy tertiary care institution, working cooperatively with a multi-disciplinary team. It is anticipated that the applicant will have demonstrated training and expertise in craniofacial trauma as well as have an interest in providing gender affirming care. The successful applicant will have a job description which will include a commitment to clinical care delivery, education, research and administration.

The successful candidate must hold Royal College of Physicians & Surgeons registration in Plastic Surgery. Applicants must have completed a Fellowship in craniofacial trauma and reconstruction, and be eligible for licensure in the Province of Alberta.

The successful applicant will hold a clinical academic colleague appointment in the Department of Surgery, University of Alberta.

Consideration of applications will continue until the position is filled. Interested applicants should arrange to have a current *curriculum vitae*, a *letter of intent* and names of three references forwarded to:

Dr. Paul Schembri  
Division Director and Zone Section Chief, Plastic Surgery  
pjs4@ualberta.ca

*All qualified candidates are encouraged to apply; however, Canadian and permanent residents will be given priority.*

*Alberta Health Services & The University of Alberta hire on the basis of merit. We are committed to the principle of equity in employment. We welcome diversity and encourage applications from all qualified women and men, including persons with disabilities, members of visible minorities, and Aboriginal persons.*
