

The Department of Surgery Division of Plastic Surgery is seeking a Locum Tenens replacement starting in May 2025 until February 2026.

The candidates will join a team of seven plastic surgeons providing comprehensive care in Brampton and Etobicoke and both will provide care primarily based out of Etobicoke General Hospital. The candidate will join a highly collegial team of surgeons with equitable division of resources (plastics/fracture clinic, minor surgery, and main operating room) and on-call duties. Regional on-call rotation is 1 in 8 with on-call stipend provided at 100%.

Qualifications

The candidates must have a Certificate of Registration to practice from the College of Physicians & Surgeons of Ontario. Additional fellowship training in breast and microsurgery is an asset. The position requires excellent communication skills in English. Additional languages are considered an asset as we serve a highly diverse population.

About the Program

The successful applicant will have an opportunity to join one of the fastest growing community hospitals offering innovative research opportunities, access to cutting edge technology, and supportive physician wellness programs. William Osler Health System is one of Ontario's largest community hospital organizations delivering a wide spectrum of reconstructive, trauma, and elective surgical services. The organization is also host to a regional cancer centre. Subspecialty services within the Division of Plastic and Reconstructive Surgery include primary and subspecialty hand surgery, comprehensive breast reconstruction, multidisciplinary skin cancer and melanoma, craniomaxillofacial surgery, and aesthetic surgery.

About Osler

William Osler Health System (Osler) includes Brampton Civic Hospital, Etobicoke General Hospital, and Peel Memorial Centre for Integrated Health & Wellness. Serving 1.3 million residents of Brampton, Etobicoke and surrounding communities within the Central West region and nationally recognized for its commitment to patient safety. Osler is Accredited with Exemplary Standing, the highest rating a Canadian hospital can receive.

Osler is an integral clinical partner in the development of Ontario's New Medical School, in partnership with Toronto Metropolitan University (TMU) and as part of its transition to an Academic Health Centre. In addition, we are an affiliated Academic Community Teaching Site for the McMaster University Michael G. DeGroot School of Medicine; Family Medicine Program, and there is ample opportunity to participate in clinical education with medical students and residents.
