

LOCUM PLASTIC SURGEON

Nanaimo, Vancouver Island, BC

The Division of Plastic Surgery in Nanaimo, BC is seeking a locum for July – September 2025. Start time and duration are negotiable therefore more than one locum position may be available. Successful applicants will participate in paid on-call coverage with 7 other Plastic Surgeons from the North Island Plastic Surgery group which includes Nanaimo and Campbell River. Practice coverage includes general plastic surgery including breast reconstruction, hand surgery, facial trauma, skin cancer management, and microsurgery.

Applicants must have a fellowship in Plastic Surgery, FRCSC and obtain licensure with the College of Physicians and Surgeons of BC. Nanaimo Regional General Hospital (356 acute care beds) enjoys state-of-the-art surgical suites with access to a surgical centre located adjacent to the hospital. The hospital has full diagnostic capabilities, including a 64-slice CT, MRI, nuclear medicine, a cancer clinic and critical care intensivists and is a UBC Postgraduate Family Practice Residency program site.

The Nanaimo medical community totals over 200 physicians with strong primary care physicians and a full array of skilled specialist colleagues who serve a population of 160,000 and secondary referral services to a population of 350,000. At Island Health, we recognize, gain knowledge and respect the differences in each individual we serve. The right to feel culturally safe is for everyone.

Remuneration: Fee for Service.
