

## **PLASTIC SURGEON – LOCUM DEPARTMENT OF SURGERY**

**Posting Date:** February 11, 2025

**Position profile** – Saskatchewan Health Authority – Saskatoon and University Saskatchewan, Department of Surgery, Division of Plastic Surgery are seeking a team-oriented and highly skilled Plastic Surgeon to provide locum on call coverage in Saskatoon, Saskatchewan. Coverage could be arranged as weekend or full week coverage depending on the locum's availability. This position has the potential to transition into a permanent full-time role.

Remuneration is competitive for this locum and is based on a daily rate of \$2,900.00 plus the Specialist Emergency Coverage Program on call stipend. Saskatchewan Health Authority will cover the cost of flights, car rental and temporary accommodations as well as provincial licensing.

Operating Room (OR), procedural and outpatient clinic time (eg. ambulatory care) would be available depending on patient and surgeon needs. OR access for urgent or emergent clinical conditions would be available per our after-hours OR usage rules. The program is complimented with a high-quality Anesthesiology program and a day surgery unit which has extended hours for patient recovery.

**Benefits** - the responsibility of the physician

**Location of practice** – Saskatoon, Saskatchewan

**Language of work** - English

**Qualifications/Requirements of the position** – The successful candidate will hold certification or be eligible for certification with the Royal College of Physicians and Surgeons of Canada (RCPSC) in Plastic Surgery and be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan (CPSS).

The successful candidate will be expected to demonstrate experience and training in Plastic Surgery, appropriate for an academic tertiary care level referral centre. The candidate will be expected to show evidence of interpersonal and collaborative skills with initiatives to further advance the clinical and academic productivity of the SHA.

**The City** - Saskatoon Shines - With more hours of sunshine than any other major Canadian city and a population of 265,000+, Saskatoon is the largest city in Saskatchewan, offering non-stop entertainment opportunities including world class events, festivals and attractions, a strong arts and music focus, and a short drive to the northern lake country. Saskatoon has more golf courses and restaurants per capita than anywhere in North America and is noted for its outstanding walking and biking trails along the riverbank. Excellent educational facilities such as the University of Saskatchewan, home of the Canadian Light Source synchrotron, draw the best minds from around the world creating a youthful vitality and cultural richness evident in every neighbourhood.

**The University** - The beautiful University of Saskatchewan campus is located on the shores of the South Saskatchewan River in Saskatoon, a city with a diverse and thriving economic base and a vibrant cultural life. The UofS is a research-intensive institution with 22,000 students and 7,000 faculty and staff, and a strong reputation for innovation and excellence. It is home to the newly constructed Academic Health Sciences Complex (<http://library.usask.ca/hsl/new-building.php>) The College of Medicine has an intake of 100 students per year with a commensurate number of positions for residency training.

**To Apply** – Saskatchewan Health Authority supports a shared commitment to a Representative Workforce that is respectful and inclusive of all staff and clients and welcomes applications from those who will contribute to the diversity of our community. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.
