

MICHAEL GARRON HOSPITAL

STAFF POSITION

PLASTIC SURGEON/Department of Surgery

Position: The Division of Plastic Surgery at Michael Garron Hospital is searching for a qualified and dedicated candidate to join our Department of Surgery for August 2025.

Michael Garron Hospital (MGH), a division of the Toronto East Health Network (TEHN), is a vibrant community teaching hospital, affiliated with the University of Toronto, and serves one of Canada's most diverse communities. Annually, the Hospital provides care for 20,000 inpatients, has over 60,000 emergency visits, 225,000 outpatient visits and delivers nearly 3,500 babies. Michael Garron Hospital has 470 beds comprised of acute care, rehabilitation, and complex continuing care beds. MGH has a closed intensive care unit and full access to diagnostic imaging (US, CT, MRI). Michael Garron Hospital has undergone a major campus wide redevelopment project, and the new and state of the art, 8-storey Ken and Marilyn Thomson Patient Care Centre recently opened in January 2023.

Qualified candidates must have a Medical Degree and completed Residency Training in Plastic Surgery. They must be eligible for certification by the Royal College of Physicians and Surgeons of Canada and for licensure in the Province of Ontario. Preference will be given to candidates who have additional fellowship training in a subspecialty, preferably with expertise in hand, peripheral nerve, and/or breast reconstruction. Candidates must have an interest in teaching medical students and surgical residents and have demonstrated a commitment to excellence in surgical education

The successful candidate will be expected to demonstrate a commitment to advance the strategic goals and vision of the Division of Plastic Surgery and be expected to contribute to the teaching, supervision, and mentorship of graduate, and postgraduate students. The candidate will be eligible for an appointment to the Department of Surgery at the University of Toronto at a rank commensurate with their qualification and academic achievement. They must demonstrate a commitment to excellence in surgical education and academic administrative involvement including participating in committees at the hospital and university level.

Michael Garron Hospital embraces Diversity and is building a culture of belonging that increases our capacity to effectively address and serve the interests of our global community. We strongly encourage applications from Indigenous Peoples, Black and racialized persons, women, persons with disabilities, and people of diverse sexual and gender identities. We value applicants who have demonstrated a commitment to equity, diversity and inclusion and recognize that diverse perspectives, experiences, and expertise are essential to strengthening our academic mission.

MGH strives to be an equitable and inclusive community and proactively seeks to increase diversity among its community members. Our values regarding equity and diversity are linked with our unwavering commitment to excellence in the pursuit of our academic mission. MGH is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities.

MGH is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities.

Select applicants will be invited for an interview. The position available is for August 1, 2025.

The deadline for applications to arrive is June 23, 2025.

Interested applicants should send a letter, curriculum vitae and two letters of recommendation to:
