

## **PLASTIC SURGEON – BREAST RECONSTRUCTION DEPARTMENT OF SURGERY**

Posting Date: January 6, 2026

### **Position Profile**

The Saskatchewan Health Authority – Saskatoon and the University of Saskatchewan, Department of Surgery, Division of Plastic Surgery seek Plastic Surgeons with Breast Reconstruction fellowship training and an interest in clinical and academic service delivery. Responsibilities include the care of inpatients and outpatients and the education of undergraduate and postgraduate trainees. The position includes a clinical appointment at the appropriate academic rank through the College of Medicine, University of Saskatchewan.

The Division of Plastic Surgery is home to a fully approved Royal College–accredited Plastic Surgery Residency Training Program and will welcome its first two residents in July 2026. There is opportunity to practice a full spectrum of plastic and reconstructive surgery. The successful candidate will hold appointments with both the Saskatchewan Health Authority and the University of Saskatchewan.

### **Compensation Details**

Contract

Benefits are the responsibility of the physician.

### **Location of Practice**

Saskatoon, Saskatchewan

Language of Work: English

### **Qualifications / Requirements**

The successful candidate will hold certification or be eligible for certification with the Royal College of Physicians and Surgeons of Canada (RCPSC) and be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan (CPSS). Breast Reconstruction fellowship training is considered an asset.

### **To Apply**

Saskatchewan Health Authority supports a shared commitment to a representative workforce that is respectful and inclusive of all staff and clients. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

Interested candidates are invited to submit their curriculum vitae in confidence to:

Amanda Lee  
Specialist, Recruitment and Retention  
Practitioner Staff Affairs
