

Canadian Society of Plastic Surgeons | Société Canadienne des Chirugiens Plasticiens

January 1, 2026

Dear CSPS Member:

In addition to active participation in the Canadian Plastic Surgery community, membership in the Canadian Society of Plastic Surgeons offers the following benefits:

- *Your listing on the CSPS website, where patients are looking for plastic surgeons.*
- *Professional development by attending the annual meeting at a reduced rate and a chance to connect with colleagues and fellow experts.*
- *Increase your knowledge on the latest topics with a complimentary subscription to “Plastic Surgery”, Canada’s only journal dedicated to Plastic Surgery.*
- *Stay informed on the latest updates in Plastic Surgery that affect your practice in Canada.*
- *Support the Plastic Surgery training programs in Canada.*
- *Have access to the career board on the website to post positions available in your area or to review positions elsewhere in the country.*
- *Support the advocacy and education mandates of the society.*
- *Take advantage of the opportunity to get involved by joining a committee or becoming part of the Board of the Educational Foundation or the CSPS*
- *Contribute to the CSPS social media presence through the Society’s Social Media Committee*

Thank you for your participation in and contribution to Canadian Plastic Surgery through your Canadian National Specialty Society.

Yours sincerely,

Céline Roberge
