

OUR TEAM IS GROWING

Plastic Surgeon Associate

AESTHETIC BREAST + BODY FOCUS

FORM FACE & BODY is a physician-led plastic surgery practice in Toronto seeking a **Plastic Surgeon Associate** to join our growing team. We are looking for a motivated, collegial surgeon with a strong interest in aesthetic breast and body surgery who is excited to practice within an integrated health, wellness, and longevity-focused environment.

Scope of Practice

- Cosmetic breast surgery (reconstructive an asset)
- Body contouring, including post-weight loss surgery
- Collaboration with wellness, longevity, skin care, and hair restoration programs
- Opportunity to develop a focused clinical niche within a supportive group structure

Candidate Qualifications

- Royal College certified Plastic Surgeon
- Eligible for licensure and independent practice in Ontario
- Strong communication and interpersonal skills
- Commitment to high standards of patient care and professionalism with wellness and longevity care

What We Offer

- Practice within a distinctive multidisciplinary health and aesthetics facility
- Established referral base and strong brand presence
- Experienced clinical, administrative, and marketing support
- State-of-the-art clinical and operating environments
- Competitive and transparent compensation structure
- Opportunities for long-term growth, leadership, and program development

Interested candidates are invited to submit a cover letter and curriculum vitae in confidence to drsomogyi@formfacebody.ca

FOR MORE INFORMATION: formfacebody.ca / mysuperform.com

The successful candidate will practice within our 22,000 sq ft facility in Mid-Town Toronto, where aesthetic surgery is integrated with wellness, longevity medicine, medical skin care, and hair restoration to support an **inside and out approach** to health and longevity.

The Opportunity

Ideal for a surgeon who:

- Has a strong interest in aesthetic breast and body surgery
- Values outcomes and long-term patient relationships
- Is interested in integrating with wellness and longevity care
- Enjoys working in a collaborative environment
