

Plastic Surgery Locum Opportunity

Fredericton, New Brunswick

The Division of Plastic and Reconstructive Surgery for Horizon Health Network in Fredericton, New Brunswick is inviting applications for a **6-month Locum** position. The start time is April 2021 or as soon as available, with potential for a full-time permanent position. The candidate will support a highly collegial team of three plastic surgeons and will provide care primarily based out of Dr. Everett Chalmers Hospital in Fredericton.

This is a fee for service opportunity with a large network of referring physicians and the locum will have access to a full schedule of regular hospital resources with guaranteed weekly OR and ambulatory clinic time, and two minor surgery days (Local) per month. The position offers a wide spectrum of a busy surgical practice in general plastic surgery including hands, reconstruction, and skin cancer surgery. The successful candidate is expected to work in a collaborative manner to advance patient care and provide all aspects of plastic surgery coverage for the hospital. On-call duties are equitably divided with a frequency of 1 in 4.

The candidate must hold a fellowship in Plastic Surgery with the Royal College of Physicians and Surgeons of Canada and obtain independent practice licensure with the College of Physicians and Surgeons of New Brunswick. Interested and qualified candidates are encouraged to send letter of application, curriculum vitae, and contact information for three referees to: Dr. Wisam Menesi, Division Head of Plastic Surgery, email: info@menesiplasticsurgery.com.
