### **Locum Opportunity: West GTA:**

William Osler Health System (Osler) is one of Ontario's largest community hospital organizations, delivering innovative health care with compassion through more than 820,000 patient interactions every year. With Osler's three sites: Brampton Civic Hospital, Etobicoke General Hospital and the new Peel Memorial Centre for Integrated Health and Wellness.

The Division of Plastic and Reconstructive Surgery at William Osler Health System is inviting applications for a locum tenens replacement from November 2021 – September 2022. The candidate will join a highly collegial team of six plastic surgeons providing a wide spectrum of reconstructive, trauma, and elective surgical services. This opportunity includes a large network of referring physicians and a well-established referral base with equitable division of on-call duties. Regional on-call rotations is 1 in 7.

The ideal candidate must hold a fellowship in Plastic Surgery with the Royal College of Physicians and Surgeons of Canada and must hold an independent practice licensure with the College of Physicians and Surgeons of Ontario. Fellowship training in Breast Reconstruction and/or Microsurgery is an asset but not required.

Expressions of interest should be forwarded along with your curriculum vitae and contact information for three references to:
