

## NANAIMO, BC

The Island Health Division of Plastic Surgery has a 0.75 FTE position for a plastic surgeon to join a group of 5 others at Nanaimo Regional General Hospital. This position has regular access to surgical time in the main operating room and minor procedure room.

Eligible candidates will hold FRCSC in Plastic Surgery and have full licensure with the College of Physicians and Surgeons of British Columbia. The successful candidate will be required to provide the full spectrum of community plastic surgery care including hand surgery, breast surgery and reconstruction, microvascular reconstruction and wound care. The ideal candidate will have fellowship training in hand and wrist surgery. On call responsibilities are approximately 1 in 7 and includes MOCAP compensation. The successful candidate must possess exemplary clinical skills in plastic surgery as well as professionalism, with evidence of excellent interpersonal and collaborative skills.

Nanaimo Regional General Hospital enjoys state of the art surgical suites, access to a private surgical center adjacent to the hospital, a weekly hand clinic staffed by certified hand therapists and a wound care clinic staffed by a NSWOC nurse. The hospital has full diagnostic capabilities including CT, MRI, nuclear medicine, cancer clinic and critical care intensivists and has expansion plans in place for a cardiac catheterization lab and new intensive care unit. The medical community totals over 200 physicians with strong primary care physicians and skilled specialist colleagues who serve a population of 160,000+ and secondary referral services to a population of 430,000+.

Nanaimo is a rapidly growing harbor city located on the east coast of Vancouver Island, just 90 minutes from Victoria and a 20 minute float plane to downtown Vancouver. It offers a great work life balance with access to numerous outdoor activities. Eligible candidates should send a letter of interest, curriculum vitae, and a list of three referees (at least one must be from Program Director or Chief of Surgery).
