

ACADEMIC PLASTIC SURGEON
DEPARTMENT OF SURGERY, UNIVERSITY OF MANITOBA
and
SURGERY PROGRAM, WINNIPEG REGIONAL HEALTH AUTHORITY & SHARED HEALTH
POSITION NUMBER: 31244 MSAS: 3003

The University of Manitoba, Department of Surgery, Winnipeg Regional Health Authority and Shared Health Manitoba invite applications for a full-time academic Pediatric Plastic Surgeon to join a broad practice of pediatric plastic surgery/cleft-craniofacial surgery commencing on January 4, 2022 (or on a date mutually agreed upon).

This is a geographical full-time, contingent position and the successful candidate will be eligible for an appointment at the rank of Assistant Professor (or higher depending on current academic rank) in the Rady Faculty of Health Sciences, Max Rady College of Medicine at the University of Manitoba. Remuneration will be commensurate with qualifications and experience.

Applicants must have fellowship training in pediatric plastic surgery, be competent at congenital/pediatric hand surgery and be able to join the cleft-craniofacial team. An interest in vascular anomalies and burn surgery is beneficial. Care will be primarily based out of our main teaching hospital, Health Sciences Centre. Teaching medical students and residents within the operating room and in didactic settings is a significant component of the position. Clinical and/or basic science research is expected based on the interest of the applicant.

This position includes a minimum of 4 G.A. days per month, 1 local O.R. day per month and office space with support staff.

Equity and diversity are essential to excellence. An open and diverse community fosters the inclusion of voices that have been under-represented or discouraged. To address the Rady Faculty of Health Sciences commitment to equity, diversity and inclusion, in recognition of the underrepresentation of members of historically and currently under-represented groups, and pursuant to the Manitoba Human Rights Commission Policy I-7, preference will be given to applicants who self-identify as women, Indigenous Peoples, persons with disabilities, racialized persons, as well as other historically under-represented groups such as 2SLGBTQ+.

The University of Manitoba and Shared Health is strongly committed to equity and diversity within its community and especially welcomes applications from women, racialized persons, Indigenous Peoples, persons with disabilities, persons of all sexual orientations and gender identities, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however Canadian citizens and permanent residents will be given priority.

If you require accommodation supports during the recruitment process, please contact um.accommodation@umanitoba.ca or 204-474-7195. Please note that this contact information is for accommodation reasons only.

Application materials, including letters of reference, will be handled in accordance with the protection of privacy provisions of The Freedom of Information and Protection of Privacy (Manitoba). Please note that curricula vitae may be provided to participating members of the search process.

Applications, accompanied by curriculum vitae, a list of publications and the names of three referees should be sent to Dr. Ed Buchel, Head, Department of Surgery and Dr. Jennifer Giuffre, Section Head, Plastic Surgery, University of Manitoba, Winnipeg Manitoba, Canada via email to astgermain@hsc.mb.ca.

Closing date: November 30, 2021
