

Plastic Surgeon – Oakville – FULL TIME

Position: Plastic Surgeon- Full time

Department: Department of Surgery

Status: Full Time

Site: Oakville, Ontario

At Halton Healthcare you will thrive in a healthcare culture and environment that embraces inclusion, high performance and flexibility with **‘exemplary patient experiences, always’** at the heart of everything we do.

We empower our people to be the very best they can be so they can make a difference for our patients and the communities we serve. It’s an exciting time to join Halton Healthcare with the completion of our major redevelopment projects. Oakville Trafalgar Memorial Hospital opened its doors in December 2015, Milton District Hospital completed a significant addition to its clinical space in October 2017, and Georgetown Hospital is developing plans to undertake a significant redevelopment.

We endeavour to recruit individuals who are exceptional in their chosen profession and who exemplify our mission, vision and values of compassion, accountability, respect. The successful applicant will be expected to provide general plastic surgery care, including: skin, breast, hand and emergency surgery. Subspecialty training in fields such as craniofacial, breast reconstruction, microsurgery or hand surgery is an asset, but not required. A busy stream of referrals can be expected from the ER, family physicians and the breast cancer surgeons.

What we offer:

- A brand new state-of-the-art 457 bed hospital housed in a 1.6 million sq. ft. facility
- Modernized and ‘state of the art’ surgical suites
- Team of 4 full time Plastic Surgeons
- Access to regular operating room time, fracture clinic, and ambulatory care resources in Oakville
- A steady stream of referrals from the Emergency Department, Family Physicians and Specialists

- Affiliation and partnership with McMaster University since 2011 with an option to participate in surgical education at the undergraduate and postgraduate level.
- Shared care using a Hospitalist model for inpatient care
- Participation in the funded (HOCC) plastic surgery call group.

What we're looking for:

- Have certification in Plastic Surgery from the Royal College of Physicians and Surgeons of Canada
- Advanced fellowship training is an asset.
- Must have an independent license or be eligible for an independent license in the Province of Ontario
- Must fulfill the roles of the CanMEDS framework.
- Excellent communication and interpersonal skills
- A strong track record of working collaboratively with others in a multidisciplinary environment
- Proven leadership capability in working with multiple providers, key stakeholders and cross-functional teams.
- Compassionate, reliable, self-directed professional who is able to work effectively and collaboratively with the team.

If you are passionate about what you do, motivated by a job well done, and as committed to excellence, quality, and patient satisfaction as we are, we'd like to hear from you.

Interested individuals should submit a covering letter with your up-to-date resume (including a complete description of previous specialty and subspecialty training and previous working experience) to Dr. Duncan Rozario by December 31, 2021.

Dr. Duncan Rozario, Chief of Surgery, c/o Andrea D'Sa, Director of Medical Affairs,
