

**Plastic Surgeon (Breast & Microsurgery)**

**Department of Surgery, Division of Plastic & Reconstructive Surgery  
Western University  
University Hospital, London Health Sciences Centre**

**Posting Date:** May, 2022

**Position Profile:** We are looking for a full-time locum tenens appointment in London, Ontario. The successful candidate would become a member of the Division of Plastic Surgery at Western University and the London Health Sciences Centre and will join a practice based out of the University Hospital. The Division of Plastic Surgery is presently comprised of twelve surgeons with busy clinical practices. The Division has a strong clinical research interest and is an accredited Royal College training program.

**Academic and Clinical Expectations:** The successful candidate must have a strong interest and advanced training and/or experience in breast and microsurgery. The practice covers breast surgery, skin cancer, trauma and general plastic surgery call.

It is expected that the successful candidate will participate actively in the Division's educational activities including teaching and the supervision of undergraduate students, postgraduate trainees and fellows.

**Qualifications:** The successful candidate must have an MD or equivalent, have completed an accredited Plastic Surgery training program, have advanced training in breast and reconstructive microsurgery and be eligible for licensure in the Province of Ontario.

**Compensation Details:** Compensation for this position will be commensurate with qualifications and experience and will be primarily composed of the following sources: Fee for service (OHIP billings) and an academic salary. A hospital on-call stipend will be shared equally with all group members on the call schedule.

**The City:** London, Ontario. London is the fastest growing city in Ontario and Canada's 10<sup>th</sup> largest city with a population of 400,000, a catchment area of 2 million, and is situated in southwestern Ontario between Toronto and Detroit. The region has a diverse economy and excellent educational opportunities. It is a safe and diverse city and its numerous parks, trails, recreational, cultural and sporting opportunities make it an attractive place to live.

**The University:** Western University is a research-intensive university with full-time enrolment of about 34,000 students with a full range of academic and professional programs. The Schulich School of Medicine & Dentistry provides an outstanding educational experience within a research intensive environment where tomorrow's physicians, dentists and health researchers learn to be socially responsible leaders in the advancement of human health.

**To apply:** Applications will be accepted until the position is filled with an anticipated start date of August 1<sup>st</sup>, 2022 or as negotiated. Interested candidates should send a letter of interest and statement of academic qualifications, curriculum vitae, and the names and addresses of three references to:
