

Locum Opportunity North of Greater Toronto Area (GTA) Newmarket, Ontario

The Division of Plastic and Reconstructive Surgery for Southlake Regional Health Centre in Newmarket, Ontario is inviting applications for a **Full-Time Locum position** from August 2022 to March 2023 (Flexible start and end dates).

The candidate will support a team of 4 plastic surgeons providing comprehensive care in York Region. The practice will cover breast reconstruction, skin cancer and general hand and hand trauma. The candidate will join a highly collegial team of surgeons with equitable division of on-call duties. Regional On-call rotation for weekends is 1 in 7 with on-call stipend provided at 100% to the locum. Weekday on-call duties are split between the 4 surgeons at Southlake.

This opportunity includes a fully staffed Office walking distance from the hospital, with full time administrative support, a large network of referring physicians, and a well-established referral base. The office includes established EMR/billing support, and office administrative staff are well trained to support weekly clinics.

The locum will have access to the following hospital resources:

- One main OR day per week (Friday)
- Half a day of minor surgery (local) OR days per week (Tuesday AM)
- Half a day of fracture clinic days per week (Thursday AM) fully staffed with a team of dedicated hand therapists

The candidate must hold a fellowship in Plastic Surgery with the Royal College of Physicians and Surgeons of Canada, and must hold an independent practice licensure with the College of Physicians and Surgeons of Ontario.

Interested and qualified candidates are encouraged to send a CV and contact information for three referees to:

Dr. Victoria Hayward
