

Division of Plastic and Reconstructive Surgery at Kootenay Boundary Regional Hospital in rural Trail, BC, is inviting applications for a **4-6 weeks locum starting September 19, 2022**. Position is in a solo practice with a large patient base and well trained support staff in office and hospital. On-call duties is your choice of 1 in 3 to 1 in 5. Fee-for-service minus set overhead. EMR is Accuro.

Weekly schedule:

- Monday main operating room
- Tuesday and Thursday local anesthetic procedure room 8:00-14:00 and cast clinic 14:00-16:00
- Wednesday AM office clinic

Practice includes general plastics with emphasis on hand, wrist, peripheral nerve and skin cancers. Live in Rossland while here (voted as Canada's #1 mountain ski town) and enjoy world class mountain biking and hiking in the vast mountain range.

The candidate must hold a fellowship in Plastic Surgery with the Royal College of Physicians and Surgeons of Canada, and must hold an independent practice licensure with the College of Physicians and Surgeons of British Columbia.

Interested and qualified candidates are encouraged to send a CV and contact information for three referees to:

Dr. Justyn Lutfy
