

The Division of Plastic Surgery at Royal Inland Hospital, in Kamloops, BC, is seeking a long-term locum beginning January 1, 2023 to May/June, 2023, with some flexibility in start and end dates.

Locum position includes access to hospital and office-based resources: elective and emergent main OR, minor surgery and cast clinic. On-call responsibilities are shared with the Kamloops plastic surgery group at Royal Inland Hospital. Practice coverage includes general plastic surgery: breast, hand, trauma and skin cancer management.

Kamloops, BC is located within the central interior of BC, and boasts access to numerous outdoor recreation opportunities including two local ski hills, numerous lakes, xc ski areas, and world class mountain biking. Its central location allows for easy access to the Okanagan and lower mainland. Medical staff at RIH offer a supportive and collegial environment, ideal for newcomers.

Applicants must have a fellowship in Plastic Surgery, FRCS(C), and obtain licensure with the College of Physicians and Surgeons of British Columbia. Interested applicants may forward their CV and other inquiries to kamloopsplastics@gmail.com
