

**Plastic Surgeon  
BRANTFORD, ON**

This is a unique and wonderful opportunity to build a successful practice at The Best You-Brantford. The Best You is a successful medical aesthetics clinic that provides various medical and cosmetic services to Brantford and the surrounding areas. With a dedicated, caring plastic surgeon working alongside our committed and professional team, we aim to replicate our successful model of Skin Cancer Care and cosmetic surgeries in Brantford. Our well-established medical spa is setup to receive surgical skin cancer and cosmetic surgery referrals. The ideal candidate will also have the opportunity to be involved with The Best You's medical spa which also offers non-surgical aesthetics such as Botox, fillers and other treatments with a full complement of medical estheticians. Furthermore, we can assist the successful candidate in obtaining additional OR time at the Brantford General Hospital. Ownership and investment opportunities are also available for candidates who are interested in making the Brantford practice their new home.

All candidates should be CPSO eligible and be in good standing with the college. New grads are welcome and have an opportunity to learn under the current medical director. Visit [thebestyou.com](http://thebestyou.com) and [skincancerca.ca](http://skincancerca.ca) to learn more about our clinics and services information. Interested candidates should contact Sebastien Charles at [sebastien@thebestyou.com](mailto:sebastien@thebestyou.com) for more information.
