EXHIBITOR RULES AND REGULATIONS

In administering the trade show portion of the conference, the Canadian Society of Plastic Surgeons adheres to the Rx&D Code of Conduct and applies it to all exhibitors unless expressly exempted. In particular, please note the following:

Rx&D Code of Conduct (excerpts ¹)

16.2.1 For the purpose of this Code, a Clinical Evaluation Package (or CEP) is: a package containing a limited quantity of a pharmaceutical product sufficient to evaluate clinical response, distributed to authorized Health Care Professionals through different methods of distribution, free of charge, for patient treatment.

16.3.4 Giving out CEPs at convention/clinic displays, business meeting and event or at learning programs is prohibited.

11.2.1 At least one qualified representative of the Member must be on site during congress hours.

11.2.2 Promotional and educational material available at the display must be consistent with the approved product monograph(s). Reprints of scientific and medical papers may be distributed at the display, provided they are reprinted verbatim, and are not presented in a manner which differs in any way from the approved product monograph(s).

15.1.2 Members may distribute acceptable service-oriented items to Stakeholders. Reasonable service-oriented items are defined as items whose primary goal is to enhance the Health Care professional understanding of a condition or its treatment or Stakeholders to better perform their professional activities. Items intended for distribution to patients via a Health Care Professional must be useful as aids to patients' understanding of, or adaptation to, their condition(s) or for encouraging adherence with recommended therapy. Such items may bear the corporate name and logo of the Member Company, but must not bear the name of any product.²
